DON'T FORGET YOUR FLU SHOT

With news of COVID-19 vaccinations becoming available, it may be easy to overlook another important vaccine: the flu shot. **This year is more important than ever to get vaccinated against the flu, and all Washington adults age 19+ can now receive a flu vaccine at no cost.** The Department of Health has partnered with select pharmacies to offer the flu vaccine at **no cost to those who are uninsured or underinsured**, to help keep you from getting sick or spreading the flu to others during the COVID-19 pandemic. Find more information [here](#),

WHAT ABOUT THE COVID-19 VACCINE?

Washington is in Phase 1a of the [Vaccine Allocation Plan](#). This means the vaccine is available to those considered at highest risk in health care settings, emergency medical services, nursing homes, assisted living facilities, and other community-based living settings. Find the latest information from the Whatcom County Health Department [here](#)

Honoring the Life and Legacy of MARTIN LUTHER KING JR.

In celebration of Martin Luther King Jr. Day, join us for a free, virtual event to honor Dr. King on Tuesday, January 19. This event will feature a presentation and dialogue led by guest speaker Dr. Vernon Johnson, and a screening of the documentary film *13th*. This event is open to anyone in the community, but attendance will be limited to the first 100 registrants. Find more details [here](#), and [register now](#) to save your spot.

Please note, Opportunity Council will be closed Monday, 1/18 in honor of MLK Day
