FLOOD RECOVERY RESOURCES

This week, Whatcom County has been impacted by historic flooding that has displaced hundreds of community members, and caused devastating damage all over our county. We have been working to gather information about resources available to those affected by flooding, and anticipate more details will be coming soon about local aid and relief efforts. As we continue to learn more, we will share the latest resources and information at whatcomabc.org/flood-resources. If you have any information to contribute to this page, please email communityresources@oppco.org.

FOR THOSE DISPLACED BY FLOODING:

Whatcom County residents who have been displaced by flooding can call the [National Red Cross](https://www.redcross.org) hotline for recovery information: 1-800-733-2767. Make sure to specify that you have been impacted by a flooding event that has been **officially declared a flood disaster**.
