SUMMER NEWSLETTER SCHEDULE

Beginning today, the CRN Newsletter is moving to a summer schedule, meaning newsletters will be released every-other-week rather than weekly. We anticipate running this summer schedule June - August, with regular weekly newsletters resuming in September. Please plan ahead accordingly to ensure any time-sensitive content you wish to submit will be shared with the network in time. We hope you will continue to share valuable resource information with the Community Resource Network throughout the summer months, and look forward to bringing you this information on a biweekly basis.

Additional Ukraine Supplemental Appropriations Act:

SNAP PROVISIONS

On May 21, the Additional Ukraine Supplemental Appropriations Act was signed into law. This Act provides that Ukrainian nationals, citizens, or those who last habitually lived in Ukraine who are granted parole between February 24, 2022, and September 30, 2023, are eligible to receive resettlement assistance, entitlement programs including the Supplemental Nutrition Assistance Program (SNAP), and other benefits available to refugees admitted under section 207 of the Immigration and Nationality Act. These individuals are not subject to a waiting period and are immediately eligible for benefits as long as they meet all other SNAP requirements. Ukrainian parolees who previously applied and were denied for SNAP under regular rules for parolees may reapply for SNAP to be determined eligible under the provisions of the Act from the date of reapplication.
