## Support clients placed in housing programs: DONATE TO HABITAT FOR HUMANITY

Opportunity Council has set up a donation bank with Habitat for Humanity to help provide resources to clients who are accepting housing. Anyone can contribute to this account by donating items to the Habitat Store and specifying they are for Opportunity Council's account. 65% of each item's sale price will be slated for OC to use as gift certificates for clients placed in housing programs who need resources for their new homes. This program is reliant on funds available in the donation bank, so it will take some time before we can begin providing gift certificates for clients to use. Help us get the word out, and please consider donating items to this new account. [Read more](#) about what types of items can be donated to the Habitat Store.
