## HOMEOWNER ASSISTANCE FUND

The [Washington State Homeowner Assistance Fund](#) (HAF) provides individual support and federal relief funds—up to \$60,000 per household—to qualified Washington homeowners behind on their mortgage due to pandemic hardship.

The HAF connects Washington homeowners with a housing counselor who provides free and confidential support and can assist with many options to prevent foreclosure. Interested households can fill out a brief online survey, or call the Hotline at 1-877-894-4663 for a no-cost assessment and referral to a housing counselor in their area.
